**Barlow Andrews 5 – 0 Tax Inspector**

Our clients are offered insurance to cover our costs in defending them against any type of tax or VAT enquiry. The fee cover is up to £100,000 and this allows us not to settle early due to client cost constraints.

Some examples of our successes include:

- Appealing a discovery assessment that gave our client a £6,000 corporate tax deduction and tax relief for our costs.
- Reducing the late payment interest by £5,000 for unreasonable delays by the Tax Inspector.
- Correcting the Tax Inspector on a point of law regarding being self-employed or employed.
- Saving £3,500 in tax and interest and penalties thereon by reviewing case law and correctly applying it to tax law.
- Avoiding the need to provide information, without incurring penalties, that is onerous and expensive to collate, is outside the scope of enquiry and is personal to the director and not relevant to his company.
